

Third Party Services Consent

Dear Parents and Caregivers,

We seek approval for your child to be given access to multiple online third-party services that would facilitate and support their learning in the classroom. The services are provided by third party vendors and are not managed by the Department of Education. Each of the third-party services we use have been assessed for use in WA public schools by the Department of Education.

To implement them we need to provide some personal information about your child and we are seeking to gain your consent to do so. The information provided to third parties varies between the different providers. Details of the personal information provided is listed below each individual service in the online permission form for your convenience.

When providing consent, it is important that you are aware of what type of information we will be providing, how it will be used, and where it will be stored. If you do not provide consent, your child will not have access to the third-party online services.

The online services provide our students with significant education benefits. The school will contact you to discuss your reasons should you not consent or fail to provide a response.

Please complete the online permission form by scanning the below QR code or going to:
